## Retraction

---

We hereby inform to our readership of the retraction of the article *Emphysematous cystitis and emphysematous pyelitis: a clinically misleading association*(doi:10.11604/pamj.2013.16.18.2505) by Mustapha Ahsaini, Amadou Kassogue, Mohammed Fadl Tazi, Anas Zaougui, Jalal Edine Elammari, Abdelhak Khallouk, Mohammed Jamal El Fassi and My Hassan Farih of the Department of Urology, University Hospital, Center Hassan II, Fes, Morocco [1]. From our investigation, it clearly appears that the majority of the contents of the article by Mustapha Ahsaini and al. published in PAMJ in September 17, 2013 was plagiarized from the article *Emphysematous cystitis of the diabetic patient*. 2009 Aug; 1(3): 114-116. PMID: PMC3364639 by Affes Nejmeddine, Bahloul Atef, Dammak Youssef, Beyrouti Ramez, and Beyrouti Mohamed Issam, published in *North American Journal of Medical sciences* [2]. Therefore, we withdraw this article of the medical literature in accordance with the guidelines and best editorial practices of the

Committee on Publication Ethics. We apologize to our audience for this unfortunate situation.
